## DIRECTORS UPDATE

As you all know, we had major water clarity issues near the end of the season last year that caused our pool to be closed for several days. In order to address these issues, the pool committee is putting into place a two part plan.

Since clarity problems come from the buildup of minerals, part one of this plan is to change the water in the pool midseason. To do this, the facility will close on Tuesday, July 23rd and Wednesday, July 24th.

The second part of this plan is to make changes to our treatment facilities before the 2025 pool season.

With this approach, we hope to reduce the likelihood of a repeat of last year.

## *The Pool is Expanding Our Area*

*After the neighborhood installed the new playground, the area of the old playground was turned over for pool use. Here is what's happening*

- In coordination with the Eagle Scout Project done last fall, this area will become another seating area for our members.*
- In the fall, posts were installed from which shade canopies will be installed.*
- New chairs will be ordered soon and access will be available from the baby pool area.*
- The small swing set will be left in place for use by infants, toddlers and their parents.*

**MEMBERSHIP TO THE CLUB IS OPEN TO ANY INDIVIDUAL OR FAMILY, NO MATTER IF YOU ARE OR ARE NOT A RESIDENT OF THE COUNTRY VILLAGE/CREEKWOOD NEIGHBORHOOD. Please share the membership information with friends and family so that we can continue to grow our pool.**

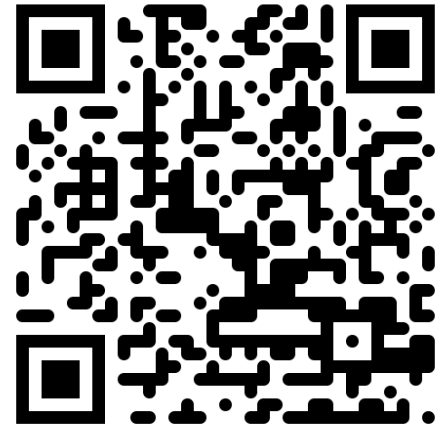

## ***Host Your Party at the Club***

*We love to host parties! Contact our pool manager, Elijah May, for more information about how you can host your party at the pool!*

## NEW GUARD APPLICATIONS

Do you know a great teenager (age 15 by May 1st) who loves the pool and would like to become a lifeguard? Lifeguarding is not only a great summer job, but an enriching experience. If you know a teenager who would like to be a lifeguard, have them scan the QR Code to the right and apply today.

## 2024 Season Membership Rates:

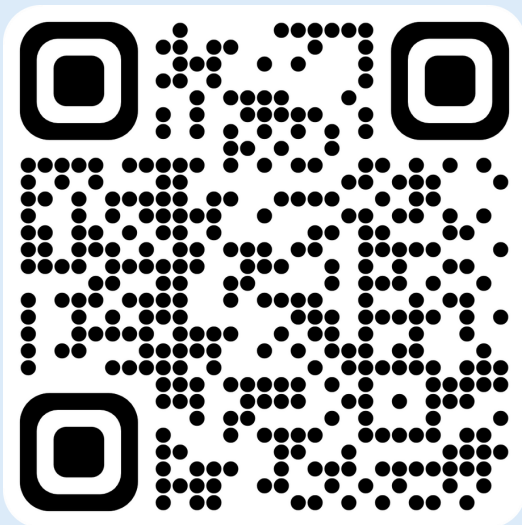

*Family Membership: \$435*

*Grandparent Membership: \$330*

*Single Person Membership: \$230*

*For more information go to the [CVCNA.Com](http://CVCNA.Com) website.*

*Fill in your membership form at the QR code below.*

### *Why an increase?*

The pool committee wants everyone to understand the rate increases for this season. As you are well aware, the cost for just about everything has increased over the last year and that is true for the pool as well. Because of increases, we were not able to save money towards an upcoming major project. That project has been quoted at \$52,000. We still believe that The Club is the best pool value in the Muncie area!
